- Electronic timing by Speed Sport Timing
- Team awards to 1st, 2nd and 3rd place teams in varsity races and the 1st place JV team
- Medals to the top 10 in the varsity races and to 1<sup>st</sup> place individual in junior varsity races
- 9 entries for Varsity races
- Unlimited entries in JV races
- Refreshments available for sale
- Athletic trainer onsite. Ice and water at the finish line

**How to enter:** Entry fees are \$200 for both boys and girl's teams; \$100 for one team; \$10 per individual

**Register on Direct Athletics. Deadline for registration is Thursday 9/5 by 8:00 PM**

Make checks payable to "Oyster River High School" and send to: Oyster River High School, Attn: Andrew Lathrop, Athletic Director; 55 Coe Drive, Durham, NH 03824

**Parking:** Buses will drop off at DeMeritt and park at Oyster River High School (55 Coe Drive, Durham, NH 03824)

\*Note- Teams not taking a bus are encouraged to please car-pool.

**Please take special note.** DeMeritt Hill Farm is a popular apple orchard welcoming us during peak apple picking season. It is imperative that coaches communicate with spectators about doing their absolute best to carpool to reduce the overall demand for parking.

**Course description:** The course features 2400 meters of double-wide wooded trails and 2600 meters of running throughout the apple orchard. As the farm's name suggests, the course is quite hilly, featuring three climbs and an uphill start.
