

Race Day information final instructions

All race registrations need to be completed on Direct Athletics before 11:59 pm Thursday October 2nd.

October 3, 2025

Packet pick up will be under the white tent inside the grandstand area near the finish line.

The course is open for preview until 6:10 pm.

Racing will begin at 6:20 PM. Girls JV race first, boys JV following at 7:05, Then Girls Varsity followed by Boys Varsity.

Awards will be at 9:20 in the grandstand area near the finish.

Team plaques to the winning team and runner up teams. , and awards to the top 10 individuals in each varsity race.

Buses can drop athletes off at gate 1 entrance near the office and businesses just behind the starting line. Buses will be instructed at that point where to park at gate 3.

Spectators and cars park in gate 4. We will have someone giving buses parking instructions and parking attendants for spectators cars.

Tents are welcome and good tenting areas are between the grandstands fence and the starting line.

The course is fairly well lit and can be run without headlamps. I do recommend headlamps or flashlights incase people want to move about outside of the lighted areas.

This course is wheel measured to 3.1 miles. It will run fast as it is a hard surface with minimal hills.
